Texas has an answer to California's Disneyland, though not nearly as publicized.

It is known as "Six Flags Over Texas" which has been built on a 105-acre spread between Fort Worth and Dallas.

It depicts Texas' history under Spanish, French, Mexican, Texas Republic, Confederate and American flags. It is as colorful as the project's history. Developers of the project expect 1.5 million people to visit there during the '62 tourist season.

We mention this project because Texas is concerned with attracting tourists, industry and other stabilizing factors for its vast economy.

There is a lot that each historic area of Texas could do to provide incentive for tourists and other Texans to visit their regions. Central Texas, the cradle of the Republic, has all the makings to create interest in so proud a history.

The major difference between Disneyland and Six Flags, according to available information is that the California Extravaganza depicts history of the nation, her fictional characters and the magic of Walt Disney's screen creations. Its success is unquestioned. Disneyland at times has made more money than Disney's movies.

In our quest for developing greater interest in Texas, we will have to do more with our imaginations on the Story of Texas, such as Six Flags has done.

Those Milam Countians who have visited Six Flags say it is a fascinating experience as fascinating as Texas itself.

With so big a story to tell, with so great a blend of cattle and cotton, oil and industry, Indians and heroism, all Texas would do well to take a cue from this entertainment resume: Six Flags Over Texas.

St. Anthony School Announces Hiring Of Mary Randolph

The Rev. John Geiser announced the hiring of Miss Mary Randolph as an additional teacher in St. Anthony School at a meeting of the school PTC Tuesday evening.

Miss Randolph, who has taught in Milam County for 31 years and in the Cameron Schools for the past 20 years, will retire from her public school career at the close of this school year. Among her honors during her public school work, Miss Randolph was nominated by the Cameron Delphian Club for Texas Teacher of the Year in 1961.

Rev. Geiser also discussed plans for the remodeling of Simon-George Hall to provide an additional classroom for the school.

During the business meeting Mrs. George Hollas, president, announced that proceeds from the parish social had totaled \$375.89. The first grade students under the direction of Sister Euphonia, presented a variety show program.

Slogan Contest

The Cameron Chamber Slogan Contest will be continued, according to Mrs. Barbara Smithman, Chamber secretary - manager.

She said Slogan Committee members reviewed the more than 20 entries and found most of them too long for fair consideration. A prize of \$10 and other honors to be announced will go to the winner.

"Slogans should be short as possible, preferably two or three words," Mrs. Smithman said. The Committee feels the winning slogan will describe Cameron's plans for the future in a catchy, memorable phrase of very few words."

Reduction Set

For Telephone

Rates In Texas

A reduction in rates on certain long distance telephone calls within Texas, which will save telephone users more than \$2.5 million a year, will be put into effect May 20. C. L. Carson, manager of Southwestern Bell Telephone Company, announced in Cameron today.

In general, the rate reduction will apply to station - to - station and person - to - person calls of more than 198 miles, he said.

The reduced rates will apply to nearly 17 million calls a year within the state, Carson estimated. The reductions will range from five to 15 cents for a three minute call.

Carson pointed out that the reduction does not apply to calls to other states, nor does it apply to calls of short distances within the state.

The reduced rates result from accounting charges recently arrived at by agreement between the Federal Communications Commission, the National Association of Railroad & Utility Commissioners and the Bell System.

Under the new agreement Carson said a larger percentage of telephone plant is allocated to calls going outside the state.

Yoe Prom - Banquet

Scheduled For

May 12 Setting

Yoe High School juniors and seniors are busily working on two upcoming projects.

Juniors have been planning a theme, decorations, tickets, music and other accessories that accompany the Junior-Senior Prom and Banquet each year.

The prom, scheduled for May 12, will be held this year in the Yoe Gym from 9 to 12 p. m. George Netherly and his orchestra of Waco will furnish the music. A setting of palm trees and ocean sands will be used to carry out the Hawaiian Sunset Theme.

The banquet for juniors and seniors only will be held from 7 to 8 p. m. at the Methodist Hall on the same night.

The Seniors are busily preparing their play "Onions In The Stew" scheduled for May 11.

Cast members are Becky Harder, Phillip Hubnik, Patti Hightower, Suzanne Lippman, Dan Bra-sher, David Hudson, Charles Schuller, Theresa Koranek, Sandra Baskin, Doris Trdy, Betty Kest-nbaum, Margaret Lance, Lanette Laffere, Ernest Bayer, James Edwards, Connie Gerick, Jim Peed, Martha Mayer, Jimmy Woodum, Lanelle Rogers, David Walston, Billy Hawks and Bobby Hillman.

A BUSY MAN -- The Rev. Billy Parmer, pastor of the San Gabriel Baptist Church, looks over an X-ray with Dr. E. O. Smith, Jr., of Cameron. Rev. Parmer heads the seven - award - winning San Gabriel church that has drawn acclaim for its unique community pro-

grams and denominational leadership in Texas. Rev. Parmer is a member of the Milam County Tuberculosis board of directors, of which Dr. Smith is president. But the youthful pastor and his 218 - member congregation conduct a wide array of farm improvement programs in the South Milam area.

SAN GABRIEL -- Soil stewardship and other community - wide programs have earned the San Gabriel Baptist Church recognition in the Texas Baptist Church Achievement Program seven years in a row.

"The 218 - member church has built an awareness among rural people that theirs is truly an outstanding contribution to society," said the Rev. Darwin Farmer of Dallas, who directs the Church Achievement Program.

The San Gabriel church, which has the only full - time resident pastor between Rockdale and Thordale, is once again this year carrying out the three - point emphasis of the Church Achievement Program -- increasing its missions contributions to 22 per cent.

Led by Pastor Billy Parmer, the 218-member congregation baptized 10 people last year in a static area that watched two other Southern Baptist churches die in the past 10 years. Members also gave more than 20 per cent of their total church budget to world missions through the Southern Baptist Cooperative Program in 1961.

Their efforts earned them the highest Church Achievement award in District 15 of the Baptist General Convention of Texas.

Heading up the church soil stewardship program are crop demonstration projects to determine the varieties of plants and the grades of fertilizers best adapted to soil of the area.

Test plots are set up under church sponsorship and the results distributed to farmers through a church newsletter. The newsletter recently reported that tests showed farmers can save \$10 a ton on fertilizer. Test plots where 16-8-0 fertilizer was used yielded results as good as those where

16-20-0 had generally been used. Each spring on soil stewardship Sunday, Pastor Parmer delivers a special message. In 1960, the church began holding monthly farm information nights whereby people could

Dies Of Injuries

Five - year - old Ann Morgan of Holland was fatally injured when hit by a car as she attempted to cross SH 36 just east of the Rogers City Limits Friday.

Rogers City Marshall Frank Tucker said the accident occurred about 4:45 p. m. as Mrs. Wilbur Morgan, Jr. and her three children were debarking from a bus.

The 5-year - old victim and her 9-year-old brother started across the highway when the boy saw the approaching car and turned back. Ann continued across the highway and collided with the automobile, a 1960 Buick, driven by Hal Senkel, of Buckholts.

Marshall Tucker said the accident was still under investigation. Funeral services for Ann Morgan were held at 2 p. m. Sunday in Rogers.

Bloodmobile Due

Visit May 18

The Red Cross Bloodmobile will be in Cameron May 18 to receive blood donations from noon to 6 p. m.

John Henderson, Jr. Blood Drive chairman, said the quota will be 72 pints. Sixty-nine pints were given during the last visit of the bloodmobile.

Along with his joking personality, he will also present music on composed some 300 songs during his day.

Burnette assures every youngster that he will be ready to give each one an official autograph.

He has been promised a police escort around town, a reception at noon, radio interview and personal visits before his shows begin.

FLOOD WARNINGS

Another unique project initiated by the San Gabriel Church is an upriver flood warning system to alert people downstream of sudden, often dangerous rises on the San Gabriel River.

At the first sign of a rise, Rev. Parmer phones several pre - designated people who in turn call others along the river until everyone has been warned.

Other church programs include organizing a civil defense program, beginning a Red Cross blood bank program, surveying the community for literacy needs and sponsoring TB tests. In the words of one church member, "People have learned that we are for everyone, not just our own members."

The story of the San Gabriel Church's ministry was featured in the March 21 issue of the 370,000 circulation Baptist Standard, news-magazine of Texas Baptists. A picture - feature story is slated to run soon in Southern Baptist's Home, Atlanta, Ga.

Three Trials Set For Next Week

Three cases have been set for trial in Milam District Court for next week.

And four persons have drawn sentences totaling 23 years in the State Penitentiary and a two-year probated sentence, according to Dist - Atty. Jack Prescott.

Set for trial next are:

JURY TRIALS -- 9 a. m. April 23, Adolfo Flores, Jr., charged with burglary; and 9 a. m. April 30 Joe A. (Johnny) Mata, charged with burglary and felony theft.

To be heard without jury are charges of burglary, two cases for each, against Angue Vinson, Jerry Reschke and Charles Brumelow, 10 a. m. April 24.

In proceedings last week, Mrs. Mary Mata, 18, of Waco, drew a two - year probation upon a find-

ing of guilty of burglary of a Sharp grocery store owned by George Triggs. Prescott said date of the offense was August 16, 1961.

Two men drew 10 - year sentences in forgery and passing cases. Marvin Baker, 39, drew five year sentences for finding of guilty of each of three forgery charges and will serve 10 years, one sentence running concurrently. The checks were forged on W. C. Keith.

And Weldon Shafer, 34, drew 10 years upon conviction of passing two checks forged by Barker. Bobby Joe Gentile, 18, drew three years upon a finding of guilty in forging one check on W. C. Keith. All the charges were based on incidents Jan. 30, 1962. All three men are from Bell County.

Rockdale Slates Insect Meeting

By J. D. Moore
Milam County Agent

A planning committee composed of Mrs. W. I. Skinner, Mrs. C. E. Grabener, Mrs. Clyde Holliman and Mrs. W. O. Butler, met in the Rockdale Chamber of Commerce office with Mrs. Curlee, Office Manager, and J. D. Moore, Milam County agent, last Friday and made plans for a county Plant Disease & Insect Control meeting to be held in the American Legion Hall in Rockdale on Monday, April 30, beginning at 10 a. m. Dr. Harlan Smith, Plant Pathologist, and C. F. Garner, Entomologist from A & M College, will present the program.

At the session starting at 10 a. m., Dr. Smith and Garner will present information on identification and control of diseases and insects that damage or kill shade trees, shrubs, flowers and lawn grasses. They will use colored slides to illustrate the common diseases and insects.

The afternoon session starting at 1 p. m., will be devoted primarily to the control of these insects and diseases. Local people are invited to bring plant diseases and insect specimens for free diagnosis and identification.

The public is invited to attend. Home demonstration club members, garden club members, nurserymen, pest control operators, florists and local dealers have a special invitation because of their association in this type of work.

PEANUT INFO

A true peanut variety, Starr, developed by the Texas Agriculture Experiment Station is the subject of much discussion among Texas peanut growers. The performance of the new variety in statewide research and farm demonstration tests last year have put it in orbit, reports Ben Spears, extension agronomist.

Milam ASCS Report

With the 1962 wool marketing year just starting, growers are reminded of the importance of keeping complete records on their sales of wool and unshorn lambs. Wool and unshorn lambs marketed no later than March 31, 1962 are eligible for payments under the 1961 program; marketings after April 1, will be eligible for payments for the 1962 program. Alva E. Sanders, County Office Manager of the Milam County Agricultural Stabilization and Conservation Service, points out that wool growers' sales documents must show the true net sales proceeds, including deductions made for freight and other marketing charges. Where false information is filed, both the producer and the wool buyer are subject to penalties.

Applications for payment under the 1961 wool program must be filed at the ASCS County Office no later than April 30, 1962. The average price received by farmers for wool during the entire marketing year can then be calculated and the payment rate announced. Payments to growers under the 1961 program will be made sometime this summer.

In Milam County approximately 125 applications have been filed for the 1961 wool year. This will represent a nice extra income for farmers in the area, and will serve as an incentive to produce more lambs and to sell the shorn wool.

In filing your application for incentive payment on unshorn lambs, be sure and bring your sales receipts with you and at the same time, the records showing date of purchase, number of head purchased and liveweight of lambs at time of purchase.

Rogers Board Meets, Officers Elected

ROGERS — The School Board of Rogers Consolidated Independent School District met Tuesday night to canvass the results of the trustee election and to elect officers for the ensuing year.

The official results of the April 7 election were that a total of 141 votes were cast, and that the three incumbents were duly re-elected to office as follows: C. O. Gunter, D. D. (Daddy) Ward, and Anton Necas. The fourth candidate, Gordon L. Young, received 70 votes.

The board re-elected C. O. Gunter as president, Anton Necas as vice president and Clayton Clower as secretary. In other action, the board approved the purchase of a new food mixer with attachments for the school lunchroom.

Fallout Program Nears Completion

FORT WORTH — Phase One of a Fallout Shelter Survey program in Texas is nearing completion and plans are being made to select architect-engineer firms to perform phase two of the program, according to Col. R. P. West, district Engineer, Fort Worth District, U. S. Army Corps of Engineers.

Phase One includes the location of existing buildings and other facilities which have a potential for use as a public fallout shelter and the tabulation of basic data on these facilities which meet structural and space requirements, and estimates of costs for improvements, where necessary, of those facilities which do not meet current requirements but have a potential or use as a public fallout shelter.

Requirements include a shielding capacity of at least a protection factor of 100. Such items as ventilation, lighting and electrical power will also be considered.

COTTON REPORT

Trading in the spot markets was limited. Spot prices were steady. The demand for spot cotton was small and selective. The rains of last week were beneficial to crop prospects. Cotton planting was rapidly moving upstate.

Middling 1" cotton prices were steady, quoted Thursday, April 12 at 33.50 cents in Dallas and Galveston, 33.25 cents in Houston and 33.00 cents in Lubbock, unchanged from a week ago.

Cotton was making good to excellent progress but in all stages of growth. Plants were squaring freely. Insects and worms were found in most fields; however, the infestation was light. Producers were urged to watch their crop and begin poisoning schedules as soon as any infestation develops. In the Coastal Bend area beneficial rains fell in most sections last week. Nueces, Kleberg and Jim Wells Counties received only light rains and crop prospects are not too promising. Conditions in other counties ranged from fair to good. Planting in the northeastern counties was in progress this week. Moisture was adequate in central Texas and planting is well advanced.

Rogers School To Observe Holiday

ROGERS — The Rogers Public Schools will have only one Easter Holiday this year, Good Friday, as announced this week by Supt. B. F. Harbour.

Monday, April 23 will be a make-up day for four days lost because of extreme weather conditions.

Art Exhibit Set From 19 Texas Counties At A&M

COLLEGE STATION — Art exhibits from 19 Texas counties will be judged at Texas A & M College in May as part of state-wide competition sponsored by the Texas Fine Arts Association.

Bill Hite, assistant programs and creative arts advisor of the Memorial Student Center at A & M said the show is sponsored by the Creative Arts Committee of the MSC for Regions 5 and 7 of the Regional State Citation Exhibit.

Deadline for entries in the Texas A & M Contest judging will be May 18 and anyone living within the 19-county area is eligible to participate.

A \$2 fee per entry will be charged, he said. Exhibits winning citations at Texas A & M will be sent to Austin for state-wide competition.

Counties included in the region are Brazos, Burleson, Anderson, Angelina, Cherokee, Falls, Freestone, Grimes, Leon, Madison, Milam, Lee, Nacogdoches, Polk, Robertson, San Jacinto, Trinity, Walker and Washington.

The regional winners will be hung at the Annual Citation Exhibit Laguna Gloria Art Gallery in Austin from July 2 to July 30.

Entries should be submitted to Regional Citation Exhibit, Memorial Student Center, Texas A & M College on or before May 18.

Artists' rendering of SIX FLAGS Over Texas. An estimated 1.5 million visitors will see the ten and one - half million dollar, 105 - acre magnetic tourist attraction located midway between Dallas and Fort Worth.

Six Flags Plans Festive Opening

A gala four days of festivities, starting with the grand opening on April 20th will officially mark the beginning of the 1962 season for Six Flags Over Texas.

The 110 acre, 10.5 million dollar entertainment Park, located midway between Dallas and Fort Worth will be visited by an estimated 60,000 people during the long Easter weekend April 20-23.

A dazzling sight that guests will see during the Easter opening will be 10,000 Easter lilies in full bloom growing around the Star Mall which is encircled by Dancing Waters and the six flags of Spain, France, Mexico, Republic of Texas, Confederacy and the U. S. A.

Inside Six Flags, the colorful legends and historical facts that have taken place in Texas under the flags of six nations are recaptured in an atmosphere of high adventure and plenty of wholesome fun for the enjoyment of visitors of all ages.

During the course of this years seven - month operating season that extends through the end of November, more than 1.5 million visitors will see this remarkable tourist attraction, according to official Park estimates, as compared to 564,000 in a 45 - day operating season in 1961.

Much activity has taken place in the off season at Six Flags with one - half million dollar expansion program encompassing 24 projects. The result of these programs has increased by 50 per cent the capacity of the Park, where now 22,000 guests per day can be comfortably accommodated.

Certainly one of the major reasons for the success of Six Flags Over Texas during its first season was the young college students working at the Park.

French Theme For Fleur-de-lis Club Spring Flower Show

A French theme will dominate the Fleur-de-lis Club's spring flower show "Fleur-de-lis Elegante" Tuesday at the home of Mrs. Louis Holley.

The placement show will be open to members of the Civic Garden Club, the Rosebud Garden Club and Fleur-de-lis Club guests, from 3 to 5 p. m. Following a tour of the flower arrangements on display, refreshments will be served on the terrace.

Four nationally accredited flower show judges will judge the show Tuesday morning. They will be honored at a luncheon, following judging, at the home of Mrs. Frank Luecke.

Mrs. Alton Fuchs and Mrs. Louis Holley are co-chairman for the show. Other committee members are Mrs. John Schigut, awards; Mrs. Louis Elley, schedule chairman; Mrs. Frank Luecke, judges and hospitality; and Mrs. Robert Clark, refreshments; Mrs. Don Humble and Mrs. Gene Friemel, clerks.

Miss Hubnik Given Bridal Shower Sun.

A miscellaneous bridal shower honored Miss Caroline Hubnik, bride elect of Billy Gelner Sunday at Simon - George Hall.

The gift table was covered with a pink cloth and centered with a bride doll surrounded with carnations, lilies of the valley and wedding bells all under a pink and white umbrella.

Refreshments of sandwiches, potato chips, pickles, cheese rounds, cake squares, mints, coffee and punch were served by Rosalie and Mary Frances Hubnik, sisters of the bride.

Hostesses were Mrs. A. L. Kuback, Rita Vessels, Jo Ann Rozner and Georgia Ann Hubnik. Approximately 35 attended. Special guests were the honoree's mother, Mrs. Frank Hubnik and the grooms mother, Mrs. John Gelner.

Mrs. Sharpe Hosts April UDC Meet

Delphian Club Tea To Benefit Library

Spring flowers will decorate the Cameron Public Library Tuesday, May 1 for the Cameron Delphian Club's silver tea benefitting the library.

The tea will be from 3:30 to 5:30 p. m. and is open to the public. All civic and study clubs in the Cameron area are receiving special invitations to the tea.

Book jackets, made available by several publishing houses, will be on display and cards available for guests to donate new books for the library. Mrs. Merlin Lester, chairman of the tea committee, said the benefit's major project will be towards obtaining up-to-date reference books for the library.

Miss Mildred Thornton, president of the Delphian Club, announced that work was in progress to have the library freshly painted for the tea. She added that this would be the first visit to the library's new location for many Cameron residents.

Following a tour of the library facilities, guests will be served in a room especially decorated for the occasion at the rear of the building.

A list of Cameron residents favorite books is being compiled at The Cameron Herald in cooperation

with the Delphian Club and these will appear in The Herald's next edition.

MILTON SCHILLER, DEMOCRAT

Saturday, May 5

(Paid Pol. Adv. By Milton Schiller)

Murray-Go-Round

By Tom Murray

You can depend upon Easterners to bomb Texas.

And so it was, when Tommy Devine in his Miami sports column, ridiculed the opening day turnout of 25,000 to watch the Houston Colt 45s initiate major League baseball.

Then there was the Los Angeles writer who blasted Texans for lack of enthusiasm for baseball by comparing the Houston opening crowd with that of the Los Angeles Dodgers.

Let 'em talk, for by doing so they prove their fright that Texas just might be major league after all!

Darrell Royal likes to say, "If they aren't talking about you, you are not doing anything."

Truth is, Texans are showing tremendous enthusiasm for major league baseball. But, Mr. Bigshots they are not as dumb as you think!

Texans are not going to drive a couple hundred miles to watch Houston play the Chicago Cubs. Our Texas League teams could play a good series with the Windy City Clowns.

Wait until the Cardinals, Dodgers, Cincinnati, Milwaukee, San Francisco and Pittsburgh come to town.

Texans are Major League Sports fans, sophisticated if you'd like that word. They are used to the best in college sports, why should they go for less.

They will come from every nook and cranny when the big boys move in - the Musials, Mays, Sniders, Aarons, Robinsons, Howards, Clementes and the rest.

The Eastern, and West Coast for that matter, reaction to the less - than capacity crowds for the Cubs, is a curious thing.

These people are letting Texans have it for not doing what they blasted Milwaukee for - going beserk.

The New Yorkers, who think major league territory should stop with the New Jersey line, called those enthusiastic Burghers, "Bush League" because they filled the seats even for the tail - end visitors.

Houston is in good company, however. The New York press immediately called Kansas City, Los Angeles, Minneapolis - St. Paul and San Francisco, "Bush", the minute they began their big league operation.

Those big shots might as well get ready. One day a Texas team is going to become champion of the world of major league baseball.

They are not going to like it but how can Houston miss with the Texas spirit, embodied by Paul Richards, baseball's No. 1 genius?

GETTING AROUND: Bud Shraake said of Houston's minor-league infielder, J. C. Hartman: "owner of a shrill voice and a tattered, shambling manner. He acted as if he's just fallen off a motorcycle." Charlie Eskew, the Austin American, calls the Colt 45s, "Harry Craft's ex-bench jockeys."

Paul Crume, the Dallas News great, says, "The main thing wrong with history is that there is too confounded much of it." Blackie Sherrod wanted to know if his readers had heard of the Psychiatrists' new shock treatment. He sent his bill in advance.

Gene Woodling, on Yankee Manager Ralph Houk: "He straightened Don Larsen out at Denver, not by threatening a fine but by threatening a licking."

Did you know that Alabama's Bear Bryant has a 2-18 record against teams wearing Orange? Or, that Johathan Winters quipped: "I tried to play football but it was so tough I quit and joined a minority group - the Marines."

Branch Rickey, after his first salary discussion with the then young, and reckless Dizzy Dean: "If there were one more like him in baseball, I'd get out of the game."

Red Smith once called Pittsburgh, the city where baseball teams lose on their merit.

Cameron Golfers Meet Here Tues.

The Cameron Country Club sixth annual Ladies Invitational Golf Tournament Tuesday will follow an "outer - space" theme.

Tee off time, listed as Launching Time, for the Friendship 9 tournament, is scheduled for 8 a. m. Coffee and doughnuts, or "spheres", will be served prior to tee off time. Groups of four will start play on the first seven holes with the firing of a shot gun.

Prizes, listed as "Out of this World" will be given the three lowest net golfers in four flights, one being the champion ship flight. A driving and pitching contest will be held and a prize will be awarded the golfer with the least number of putts in the 18 hole competition.

Decorations in the Country Club dining hall will follow the outer-space theme for the luncheon which will begin at 3 p. m. Decorations are being created by Mrs. T. L. Denson and Mrs. E. O. Smith Jr.

Mrs. Coy Arledge, tournament chairman, announced the committee was expecting at least 90 women golfers to enter the competition.

Rogers Track Team

Places In Meet

ROGERS - Coach Jim Lowrance and three Rogers High School track and field boys brought back two first place, one second and one third place at the Regional Meet in Victoria Friday and Saturday. Johnny Chervenka, Jr. won first place in the 100 and the 220 dashes. Chervenka placed 7th in the running broadjump with a leap of 19'1".

Ace Dyess won first place in the 100 yard dash with a time of 10.25; 2nd place in the 220 with a 22.5 and 3rd in broadjumping with 20'3½". Thus he will participate at the State Meet in the 100 and the 220 dashes. Chervenka placed 7th in the running broadjump with a leap of 19'1".

Buckholts Places Fourth Saturday In Regional Meet

Buckholts scored 36½ points to place fourth in the Regional Meet April 14. The Badgers placed in every event entered but did not qualify anyone for the state meet.

Jack Ruzicka was the top point man for Buckholts with 13 points. He placed 3rd in the shot put, 4th in the 440 yard dash and was a member of the 3rd place 440 yard relay team.

Bobby Malovets scored 9 points by placing third in the 100 yard dash and as a member of the 440 yard relay team.

Morris Jones tied for third in the pole vault and was a member of the 440 yard relay team. He scored 7 points. Pat Wallace scored 4 points by placing sixth in the 320 yard dash and as a member of the 440 yard relay team. Buddy Inge accounted for 3½ points for 4-way tie for 3rd in the high jump.

Final point standings were: Magnolia 70, Danbury 67, Van Vleet 66, Buckholts 36½ and Wallis, 36.

Candidate To Speak At Barbecue

It is our understanding that Milton Schiller, candidate for State Representative of new District 45, is going to address boosters for his election at a barbecue next Wednesday night.

This is a refreshing development in Central Texas politics. It has not been the public's recent fortune to hear candidates for this office make statements about their candidacy before large groups.

Campaigning for most county and district offices has been on a person-

al, meet - each - voter basis. In a pure democracy, this is fine and correct.

But in the light of increasing size of representative districts, development of platform and policy becomes more important in public statements, both written and spoken.

We look forward to hearing Candidate Schiller, whom we support, particularly when his opponent, incumbent Herman Yezak, chooses to continue to run on a hand - shaking basis. The voter has a right to more than that.

Dateline — Austin

Senators, Reps. Face Problems

By Vern Sanford

AUSTIN — The hundreds of candidates who are running for places in the Texas House of Representatives and the Texas Senate have plenty of problems. But when the victors get to Austin they'll have a new one. Big question will be "where to park their cars?"

Lack of parking facilities on the Capitol grounds causes a maddening game of musical chairs -- or musical cars -- at each legislative session. Speaker of the House James A. Turman says the problem is "growing more acute each day."

While the 19 presidents are trying to balance their budgets, Commission on Higher Education will be studying requests from three more colleges which want to join the state system: Odessa, San Antonio and Laredo junior colleges. Recommendations will be made when the 58th Legislature convenes.

NEW SHELL GAME — Land Commissioner Jerry Sadler predicts that Texas never will yield control over any part of Padre Island to the federal government. He charged that some Texans have been "deceived" by talk of an 88 - mile-long national park there.

So, Turman appointed a committee which may have the longest title in the history of the statehouse: The Interim Committee To Study State Owned Lands Around the Capitol Concerning the Possibility of Converting Such Into Parking Lots.

Rep. Obie Jones of Austin was named chairman. Two other Austin members, Reps. Wilson Foreman and Charles Sandahl, will serve on the interim study committee.

CUT THE PROPERTY TAX?

For three years now a legislator-citizen study committee -- the Texas Commission on State and Local Tax Policy -- has been mulling the possibility of state abandonment of the property tax. Texas Research League has helped with the study.

The committee should have recommendations ready for legislative action in the January session. Outcome may rest on voter pressure between now and the November general election.

Under the current system, schools get 42 per cent of the property tax dollars; cities take 29 per cent; counties, 18 per cent; and the state government and special districts only get five per cent each.

Texas Municipal League has urged the state to abandon the ad valorem tax and let the cities increase their property taxes.

Hale - Aikin committee asked the state to abandon the tax and let the schools levy it.

Tax experts often have declared that county assessors might place higher values on property, if they felt more of the ad valorem tax dollar would stay in the county.

COLLEGE FUNDS SHORT

Presidents and business managers of Texas' 19 state - supported colleges and universities were stunned this week when Texas Commission on Higher Education reported they will get only 54 per cent of the funds they requested to meet increased enrollment in 1963.

Administrators had set their future needs at \$2,770,951. But the Legislature only appropriated \$1,500,000 to supplement teaching salaries for enrollment increases. So the commission's staff prorated the fund among the 19 schools.

Dr. F. L. McDonald, president of Lamar State College of Technology in Beaumont, didn't take the news quietly. "This is one of

THE OLD PHILOSOPHER

Philosopher Is Mad Because Increase Of Steel Price Won't Up Price of Farm Products

Dear editor:

As I understand it, a lot of people, including the President, have gotten mad because the steel industry raised the price of steel, but I had managed to control my temper until I read all the reasons why the price increase was called inflationary and therefore bad for the rest of the country.

According to the experts, you raise the price of steel and automatically you've raised the price of cars, homes, refrigerators, freezers, vacuum cleaners, tractors, plows, wrenches, nuts and bolts, etc.

us? Everybody would just bust out laughing.

We not only couldn't get anybody to denounce us, we couldn't get anybody to pay any attention to our price rise, people would just keep on paying the same old price, or possibly a little less.

Washington has nothing to worry about when it comes to us farmers doing anything inflationary. You're not going to catch us rocking the economic boat. We're too busy bailing water for that.

Yours faithfully,
J. A.

Things Look Up For Milam . . .

Things are looking up for Cameron and Milam County.

Construction on Highway 77 and 36 coming into the county seat will begin, following announcement last fall of \$300,000 plus for improvements of existing roadways.

Laneport Reservoir moves one step closer to the appropriation stage in a hearing April 30 in Austin. Objected to by Williamson Countians last winter, the huge project will get a final review by property owners, interested cities and citizens before the State Board of Water Engineers.

Milam's National Guard unit, along with the 49th National Guard Division is due for release from active duty sometime in August, according to wire reports.

Cameron's candidate for State Representative is drawing support from Robertson County and other Milam newspapers.

The recent rains have boosted early season expectations for county crops.

Smiley Burnette, well - known side - kick of cowboys Gene Autrey and Roy Rogers, is coming to Cameron April 26 with the support of Cameron merchants.

IRS Explains Ways To Get Ahead of '63 Tax

Here's a sure way not to owe Uncle Sam money every year, even though your wages and salary are subject to income tax withholding.

Prompt action before 1962 gets too far underway will solve your tax problem for next year, according to advice given today by A.P. Andrews, Administrative Officer, Internal Revenue Service, Temple.

"Get a written agreement between you and your employer authorizing an income tax deduction every pay day for a sum to equal your estimated tax liability," the IRS representative advised.

more susceptible to greater tax liabilities than amounts withheld. (A) Taxpayers with incomes not subject to withholding, such as dividends, interest, and such.

(B) Taxpayers whose incomes are great enough to be taxed above the lowest tax bracket.

Group "B" includes single taxpayers with incomes over \$2,890, married couples, minus dependents, with incomes over \$5,780, and married couples, minus dependents and incomes more than \$7,110 who claim the full number of exemptions to which they are entitled.

WANTED BY THE FBI

Eugene Francis Newman

Newman is the alleged machine gun-carrying leader of a gang that attempted the robbery of an armored car carrying \$498,500 in American and Canadian currency in Buffalo, New York, on August 3, 1955. He and his associates, wearing silk stocking masks, engaged in a running gun battle with the truck's guards and Buffalo Police, and a machine gun bullet, allegedly fired by Newman, seriously wounded a guard. Two bandits were quickly apprehended but Newman remains at large.

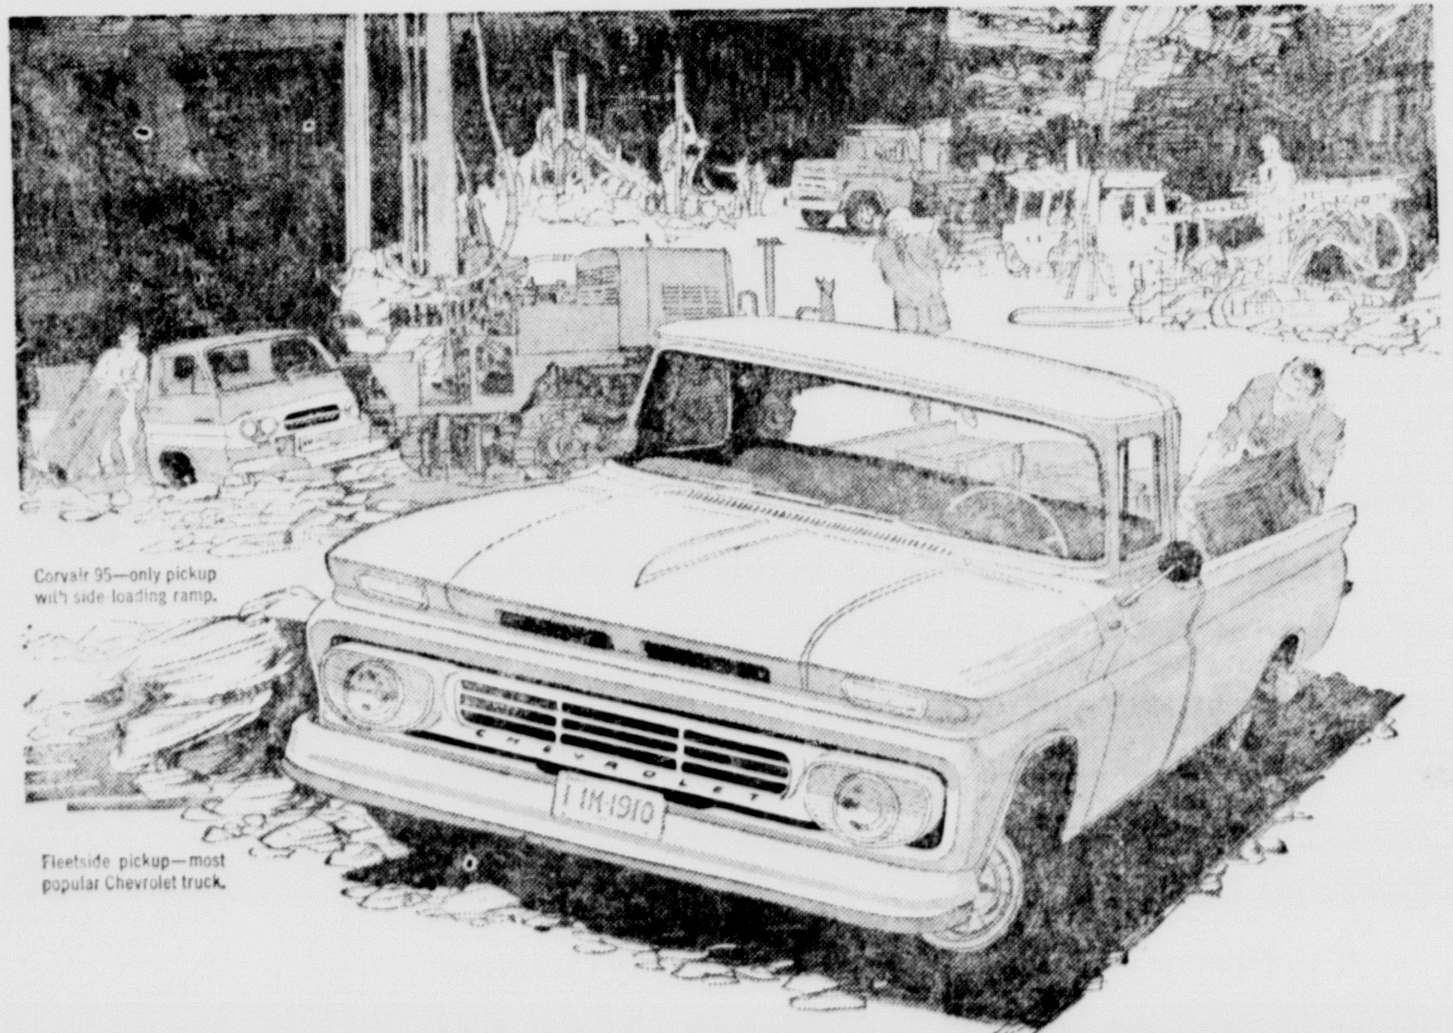

A complaint, filed before a U.S. Commissioner at Buffalo, New York, on August 5, 1955, charges Newman with fleeing the State of New York to avoid prosecution for robbery.

Heavily armed, with a violent temper, Newman has previously been convicted for theft of Government property, interstate transportation of a stolen motor vehicle, petty larceny, and burglary.

He is a white American, reportedly born on October 3, 1928, at Brooklyn, New York, who is 5'8" tall, weighs 170 to 180 pounds, has blond hair, blue eyes, a medium build, and medium complexion.

He has scars near his right eye, on the back of his right hand and on the center of his left cheek. A birthmark appears on his upper left arm and a mole on his left index finger. Tattoos include the name "Danny" and a heart on the outside of his right forearm, and the number "13" within a dotted circle on the back of his left hand. He has worked as a bricklayer, clerk, construction worker, counterman, and laborer.

Consider extremely dangerous. Please immediately notify the nearest FBI Office of any information concerning his whereabouts. — aro 62249-m

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES?

This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

Reduction Set For Telephone Rates In Texas

A reduction in rates on certain long distance telephone calls within Texas, which will save telephone users more than \$2.5 million a year, will be put into effect May 20. C. L. Carson, manager of Southwestern Bell Telephone Company, announced in Cameron today.

In general, the rate reduction will apply to station - to - station and person - to - person calls of more than 198 miles, he said.

The reduced rates will apply to nearly 17 million calls a year within the state, Carson estimated. The reductions will range from five to 15 cents for a three minute call.

Carson pointed out that the reduction does not apply to calls to other states, nor does it apply to calls of short distances within the state.

The reduced rates result from accounting charges recently arrived at by agreement between the Federal Communications Commission, the National Association of Railroad & Utility Commissioners and the Bell System.

Under the new agreement Carson said a larger percentage of telephone plant is allocated to calls going outside the state.

INFORMATION

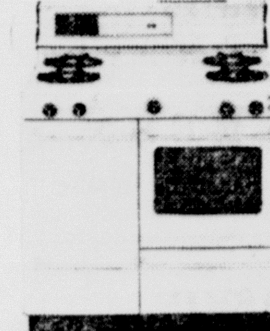

Reference is made here to an advertisement in last week's issue of this newspaper. This ad was a reprint of an editorial from the Hearne Democrat and was critical of the committee assignments of the incumbent state representative for the district that includes Hearne. By looking in an issue of the Hearne paper anyone can see who owns and edits that newspaper. This man, the owner and editor of the Hearne newspaper, was a candidate for state representative in 1958. The people of Milam and Robertson Counties had the opportunity to choose him as their state representative. The people rejected him in Robertson County. They rejected him in Milam County. The people chose to reelect the incumbent.

The editorial opinion of a newspaper usually represents one man's opinion. His opinion of a man or an issue should not be mistaken for the opinion of the people. The people speak most eloquently through the free ballot. Speak freely in Democratic Primary on May 5th and give your own individual endorsement to the man of YOUR choice.

Lt. Col. Herman Yezak

CHAIRMAN

Military and Veterans Affairs Committee

Texas House of Representatives

In the State Legislature Rep. Herman Yezak sponsored the original legislation that created the Veterans Farm Purchase Program. Texas veterans have used this plan as fast as funds allow. There is always a waiting list. Rep. Yezak was the first legislator to introduce legislation doubling the amount of funds allowed for this veterans program. He has actively worked for all state legislation of benefit to all veterans and to their families.

Young Lieut. Yezak was an assistant supervisor for the U.S. Dept. of Agriculture in Falls County when called to active duty in the early days of World War II. He was attached to the 88th Infantry Division "Blue Devils" and served overseas in North Africa and Italy where he earned his combat Infantryman's Badge and Battle Stars.

(This advertisement sponsored by Veterans of Burleson - Milam - Robertson Counties.)

A Record Of Service

HERMAN YEZAK was born the first of eight children of a tenant farmer. He had to pull himself up by his own bootstraps. Herman realized early that education was the key to advancement. He worked his way through high school as a handyboy in a cafe and then worked for a year to earn enough money to enroll at Texas A&M College. In four years he worked his way to a college degree in agriculture and a reserve officer's commission.

The United States Army recognized the capabilities of Herman Yezak and chose him many times for selected training programs. During World War II he was picked for both basic and advanced courses at the famed Infantry School at Ft. Benning, Ga. As a reserve officer he was chosen for several special courses including study at the General Staff College at Ft. Leavenworth, Kan. and the National War College in Washington D. C. Lt. Col. Yezak is part of an army reserve unit in Waco and attends training periods regularly. He is subject to call to active duty on short notice.

THE KOREAN WAR began in June 1950 and during one week in September of that year Capt. Yezak's first child was born and he received his orders to report for active duty. He left his job as instructor in the Farm GI School and he and his wife and month - old daughter had to forget about the home they had planned to build that autumn and reported to Camp Chaffee, Ark. Little Patti was 18 months old when Capt. Yezak was released from active duty. He understands through experience many of the problems of presently recalled national guardsmen and reservists and their families.

HERMAN YEZAK offered his military services to the nation in times of crisis and continues to stand ready to serve. In the closing days of WW II he offered the homefolks his services in the Texas Legislature and the people accepted them and have steadfastly continued to choose him as their state representative. This veteran legislator once more offers his services to the people and gives the citizens of District 45 the opportunity to vote for a veteran.

LEGAL NOTICE

THE STATE OF TEXAS,
COUNTY OF MILAM,
SHERIFF'S SALE

WHEREAS, on the 19th day of February, 1962, in Cause No. 3298, in the District Court of Milam County, Texas, wherein The State of Texas, Milam County and Thorndale Independent School District were Plaintiffs, recovered judgment against L. B. Fairchild and all unknown persons owning, having or claiming any interest or lien in the property described herein, if living, and if any or all of the above named Defendants be dead, the unknown heirs of each or all who may be dead; and the unknown heirs of the unknown heirs of said above named persons; and the executors, administrators, legatees, legal representatives, guardians and devisees of the above named persons, who own or claim some interest in the hereinafter described real property, which is situated in Milam County, are Defendants, for taxes, penalty, interest and cost against the hereinafter described property:

WHEREAS, on the 19th day of March, 1962, by virtue of said judgment and the mandates thereof, the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by the virtue of said judgment and said Order of Sale and the mandates thereof I did on the 28th day of March, 1962, seize and levy upon as the property of the above defendants the following described property, situated in Milam County, Texas, to-wit: (Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

"All those two certain tracts or parcels of land, lying and being situated in Milam County Texas, each tract being a part of the County, said two tracts being more fully described as follows, to-wit:

FIRST TRACT: Beginning on the west line of said Wiley Harrison survey at the S. W. corner of Lot No. 3; Thence N. 71 E. 1573 vrs. to the east line of said Harrison survey; Thence S. 19 E. with said east line of said Harrison survey to the N. E. corner of the J. F. Watson tract; Thence S. 71 W. 1592 vrs. to H. F. Jordan's N. W. corner; Thence S. 19 E. to the south line of Lot No. 4 (in Webb's north line); Thence S. 71 W. with the north line of the Webb tract, to the west line of said Harrison survey; Thence N. 20 E. with the west line of said Harrison survey, to the place of beginning and containing 108 acres of land, more or less, and being all of Lot No. 4, except 26 acres heretofore conveyed to J. F. Watson and H. F. Jordan.

SECOND TRACT: Beginning at the S. E. corner of the above described tract, in the east line of said Wiley Harrison survey; Thence S. 71 W. with the south line of said above described tract to the N. E. corner of a tract conveyed to H. F. Jordan by H. F. Shively; Thence S. 19 E. with said Jordan's east line to his S. E. corner; Thence N. 71 E. to the east line of said Harrison survey; Thence N. 19 W. with said E. line of said Harrison survey, to the place of beginning, and containing 14 acres of land, more or less and being

the same land conveyed to L. I. Wilson by deed recorded in Volume 121, Page 554, of the Deed Records of Milam County Texas, reference to which is hereby made for a full and complete description."

And I will on the first Tuesday in the month of May, 1962, THE SAME BEING THE 1st day of said month, proceed to sell all the right, title and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Cameron, Texas between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having the interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the defendants to have said property divided and sold in less divisions than the whole.

DATED at Cameron, Texas, this 28th day of March, 1962.
Carl C. Black, Sheriff
Milam County, Texas. 2-4tc

The Resurrection

The Prophecy

"For as Jonah was three days
and three nights in the whale's
belly; so shall the Son of man
be three days and three nights in the heart of the earth." Matthew 12:40.

The Fact

"And the angel said,
'He is not here; for He is risen, as He said.' Matthew 28:6.

The Significance

"Fear not; I am the first and the last; I am He that liveth, and was dead;
and, behold, I am alive forevermore, Amen; and have the keys of hell
and of death." Revelation 1:17,18.

"I am the resurrection, and the life: he that believeth in me, though he
were dead, yet shall he live; and whosoever liveth and believeth in me
shall never die." John 11:25, 26.

Next Sunday,

you will wish to be among the throngs who go to the place of worship.
To many, "Easter Sunday" is a special day. Indeed, the resurrection of our Lord is an essential part of the
gospel of Jesus Christ.

But Remember,

every Lord's day is to be held in such sacred regard that each, as
it dawns, shall be to us the marvelous commemoration of the glorious reality of the risen, living, returning
Lord. While we await His coming, everyone who has believed in Him is to be obedient to His imperative
word: "Go", "Tell".
